

Shri Narendra Modi
Hon'ble Prime Minister

“We will
not let
Ganga
remain dirty”

78 Villages in Jharkhand will show the way to a Clean Ganga

Today, Jharkhand will set a model for the rest of the country with rural sanitation initiatives for Ganga rejuvenation.

Objectives:

- Create a model stretch in Jharkhand for rejuvenation of the river Ganga.
- Ensure open defecation free status of all 78 villages along the river Ganga.
- Focus on ecological restoration, water management, institution building, capacity development and community mobilization.
- Effectively manage, enhance and maintain facilities established for improved sanitation
- Improve the health and quality of life of around 45,000 households
